We are pleased to invite you to our Annual Judo Weekend. Once again, we are offering a mixture of competition training, kata work, and a regional grading. In addition, we are providing First Aid training for BJC purposes, as well as several other mini-courses. Attendance on a mini course also gives that person free entrance to the main judo training course. If for any reason a mini-course does not run (insufficient numbers for example) you will be given the choice of attending the main course all weekend or a full refund.

Mercia Judokwai is host to the British Judo Council's Team BJC training centre at Rawlett Community Sports College. We are affiliated to the Midland Area of the BJC and close friends of the Nottinghamshire Area. We are grateful for their support with this course.

During the course there will be three mat areas designated for general judo and gradings, plus two further mat areas, in a quiet dojo, dedicated to Kata, hopefully under the expert eye of Mr Mealing.

We welcome Dave Nicholls 4th Dan who has joined the BJC to help promote Hosaka Sensei's concept of Ippon Judo. Dave has been doing Judo for over 30 years having initially trained under the late Hosaka Sensei, becoming one of Hosaka's top students. When he was 19, he was introduced to Neil Adams and trained with him practically every day for six years and became a highly thought of team member. Dave has many titles to his name including senior nationals in England and Wales and many ranking events. We are also pleased to see Lee Burbidge coaching at our course this year alongside Dave. You can be guaranteed an enjoyable and interesting weekend's judo.

Please note that an up to date license (with a photograph) of an approved judo organisation must be produced on the day in order to attend any of the sessions. Only BJC license holders may grade.

You may choose to bring a packed lunch with you or you can purchase snacks/sandwiches from our club café. Lunches can be pre-booked each day.

Registration takes place each day at 9.00 until 9.45. Please allow time to register and change so as to be on the mat for a 10.00am start.
