

Covid-19: BJC Guidance for Clubs

As of the 14th September the Government guidance for meeting with people are:

	England	Scotland	Wales	Northern Ireland
 How many people outdoors?	Up to 6 from multiple households	Up to 6 aged 12+ from two households	Up to 30 outdoors	Up to 15 outdoors
 At what distance	Keep to 2m ideally. 1m minimum (with mask)	2m apart (less in some premises)	2m apart - age 11+ only (less in some premises)	Keep 2m apart
 Indoors	6 from multiple households	Up to 6 aged 12+ from two households	Up to 6 aged 12+ from an 'extended household'	6 people from two households

This also applies to ALL unregulated meetings including sport and social events.

BUT: A BJC club which has submitted to the HQ a fully completed [Risk Assessment](#) AND maintains a properly completed register complete with name, telephone and email of every person who attends (whether club member, visitor, parent, guardian or spectator) to enable proper track and trace (if necessary) and who has done the following:

- Taken every person (whether on or off the mat) temperature with a Temperature Gun (available from about £10)
- Asked the critical questions relating to each persons health and acted upon the same (see BJC leaflet 'Coaches Advice: First Steps Back to the Dojo')

Can, under the advice received from the relevant Sports Council continue with the following:

	England	Scotland	Wales	Northern Ireland
Outdoors  15 students + Sensei	Up to 15 with social distancing from multiple households with no contact - See BJC leaflets	Up to 30 from multiple households with full contact - any age group. See BJC leaflets for further requirements	Up to 30 outdoors with social distancing of 2m minimum. NO contact	No limit to numbers providing proper 2m social distancing is maintained. NO contact
Indoors  15 students + Sensei	Up to 15 with social distancing from multiple households with no contact - See BJC leaflets	Under 12 years: Full contact training as normal. 12 years and over: Non-contact training with social distancing only.	Up to 30 from multiple households with social distancing of 2m minimum. NO contact	Limit the number of people with 10m ² between them. This means NO contact. Limit intensity of training to reduce droplet spread

It is important to ensure that proper compliance is maintained with the centre that you are based in which may mean one way movement systems around the building, no changing rooms and limited toilets. You must check this with your facility.
